

VACCINE POLICY & DATA SHEET

In our ongoing commitment to the health and well-being of our community, we acknowledge the importance of vaccinations as a key tool in mitigating the risk of infectious diseases. BD Performing Arts highly recommends being fully vaccinated, which includes the most recent COVID-19 vaccine, for those who are eligible. BD Performing Arts reserves the right to request proof of vaccination as part of this verification process. The necessity of this requirement is contingent on the absence of surges in COVID-19 or other infectious disease outbreaks. We remain committed to fostering a safe and inclusive environment for all members of our community.

Additionally, we aim to provide education on all CDC recommended vaccines for high school and college-aged individuals to empower informed decisions regarding health and safety. The current list of these recommended vaccines are:

- MMR (Measles,Mumps,Rubella)
- Tdap (Tetanus,Diphtheria,Pertussis)
- Meningococcal (MenACWY)
- Meningococcal (MenB)
- Influenza (Annually)
- Hepatitis A
- Hepatitis B
- HPV (Human Papillomavirus)
- Pneumococcal (PCV13 and PPSV23)
- COVID-19 (as recommended)
- Varicella (Chickenpox)

More information on the CDC vaccine recommendations can be found here:

- [CDC COVID-19 Vaccine Recommendations](#)
- [2023 CDC Recommended Adult Immunization Schedule](#)
- [2023 CDC Recommended Birth-18 Years Immunization Schedule](#)

BD Performing Arts reserves the right to adjust the requirement of COVID-19 or any other CDC recommended vaccines at any time, including but not limited to: surges of COVID/other infectious disease outbreaks before any term of close contact travel, housing conditions, any length of bus travel, spring training and/or other long-term multiple-person arrangement that BD Performing Arts deems appropriate.

If you have any questions, please reach out to health@bluedevils.org.
